

**REMARKS**

Claims 6-11 are now pending in this national stage entry under the PCT. Claim 6 is independent. Claims 6-11 have been added to eliminate multiple dependent claims, and to place the claims in better form for U.S. practice. Applicants note that Claims 1-5, submitted by way of Amended Sheets under Article 34 of the PCT, have been canceled by this Preliminary Amendment.

The Specification has been amended to incorporate a "Cross-Reference to Related Applications" section, and to add various optional headings in the body of the Specification as amended by Art. 34 Amended Sheets.

No new matter is involved by any specification or claim amendment.

Applicants respectfully request consideration of the claim amendments. In view of the above amendment, applicant believes the pending application is in condition for allowance.

Applicant believes no fee is due with this Preliminary Amendment. However, if a fee is due, please charge our Deposit Account No. 22-0185, under Order No. 22106-00090-US1 from which the undersigned is authorized to draw.
